From the Editor's Desk

Welcome to the MEGA issue of the International Relations Division Newsletter which aims to give an update on new developments and activities among the global Sharda community. It is published bi-monthly, and is sent to students, partner universities & colleges across the globe. In this MEGA issue, we focus on opportunities for Sharda University students to study abroad for a semester through bilateral semester exchange programs. Sharda University has partnership with 250+ partner universities across the globe giving students the opportunities to see the world and experience different kinds of education, take in a new culture, hone their Language Skills, be attractive to future employers, find new interests, make lifelong friends, develop their personality, get a life time experience, be ready for work, and pursue an international project in a foreign country.

Our International Relations Department is the architect of these developments as per the vision of Honorable Chancellor Mr. P.K. Gupta, to become India's global university. I take this opportunity to thank the International Relations Division team for their contribution.

Thank you all, the world is here at Sharda!
