SECTION B: Event report and reflection

1. Training Features & objectives:

DSpace is an open source repository application that allows you to capture, store, index, preserve and distribute your digital material including text, video, audio and data.

2. Event description:

A remarkable step by Swami Vivekananda Library at Sharda University! Organizing a training session on DSpace shows proactive support for enhancing staff members knowledge and skills, especially those in the research field where the preserve and distribute digital material such as video, audio data and uploading the thesis report, demonstrations of experiments and techniques are highly beneficial.

Participants (Compulsory for events): Total Participants-21 (List enclosed)
