About NCC

AIM OF NCC

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose.

Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

MOTTO of NCC

The need for having motto for the Corps was discussed in the 11th Central Advisory Committee (CAC) meeting held on 11 Aug 1978. The mottos suggested were "Duty and Discipline"; "Duty, Unity and Discipline"; **"Duty and Unity"**; "Unity and Discipline". The final decision for selection of "Unity and Discipline" as motto for the NCC was taken in the 12th CAC meeting held on 12 Oct 1980.

CORE VALUES

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we endeavor to instill among all ranks of the NCC. These include the following:

1. A sense of patriotic commitment to encourage cadets to contribute to national development.
2. Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
3. Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
4. Understanding the value of a just and impartial exercise of authority.
5. Ability to participate in community development and other social programme.
6. A healthy life style free of substance abuse and other unhealthy practices.
7. Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
8. Inculcating habits of restraint and self-awareness.
9. Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
10. Respect for knowledge, wisdom and the power of ideas.

NC C In S harda University

- Sharda University has always believed in the power that each woman possesses. We think that Sharda, the goddess of knowledge and wisdom, can also serve the nation as a Durga. The National Cadet Corps places a strong emphasis on helping its cadets acquire traits like unity, self-discipline, and mental and physical endurance. The unit plans a wide range of activities to help its cadets develop these traits. A variety of online activities are planned to foster cadets' sense of community and fellowship. The cadets gain first-hand exposure to the operations and culture of the army while working with army officers. On the social front, the unit conducts donation drives and runs a number of awareness initiatives concerning various social issues. It also wants to help its cadets become more civically aware. Through involvement in planning various events for the unit, the cadets also gain leadership skills.
- Since 2016, we, the Shardan cadets of NCC associated with **31 UP Girls Battalion**, have consistently defended the nation of India's unity and engaged in constructive community service with a sense of selflessness and consideration for other people. Regardless of the career path they select, NCC is committed to developing leaders across all groups of engaged kids.

The Social Impact of NCC

- The National Cadet Corps [NCC] is a platform for developing the nation's youth into disciplined, accountable, and patriotic citizens. One of the largest organizations of uniformed volunteers in the world, NCC works to empower young people and build a stronger country from the ground up. NCC serves as the foundation of society for social work, following the armed forces, police, and other social workers like the BBMP. By providing them with military training, the cadets are prepared both emotionally and physically strong to handle any problems. To educate the public, social awareness campaigns like those for environmental conservation and cleanliness are held. Social media platforms are also frequently employed for societal good.
