

## **Notification -Work package contact for conducting field survey**

Applications are invited for Work package contact for conducting field survey under a Research Project entitled **“All Women Police Station/Mahila Thana Performance (Working, Efficiency and Effectiveness)” sanctioned by the National Commission for Women. Govt. of India, New Delhi.**

Area Selected 30 district of Uttar Pradesh

Total sample -1000-1200

Duration 30 days (extend to 15 days)

Role and Responsibility-

Agencies must design the survey to achieve the highest practical rates of response, commensurate with the importance of survey uses, respondent burden, and data collection costs, to ensure that survey results are representative of the target population so that they can be used with confidence to inform decisions. Nonresponse bias analyses must be conducted when unit or item response rates or other factors suggest the potential for bias to occur.

Agencies must ensure that all components of a survey function as intended when implemented in the full-scale survey and that measurement error is controlled by conducting a pre -test of the survey components or by having successfully fielded the survey components on a previous occasion. Data collection, Data compilation

Interview with senior police personnel

Draft of field survey

Sample Questionnaire is attached

Cost for the field survey- 50% at the time of investigation and 50/% after the completion of project.

Kindly submit your budgetary cost.

Interested Person /agencies with requisite experience in the field may apply within 7 days of publication against this advertisement in the prescribed format at [urmila.yadav@sharda.ac.in](mailto:urmila.yadav@sharda.ac.in)

Nodal officer and Research team of Project reserves the right to reject or alter the proposal.
