7	Course	As we know that the establishment of an egalitarian society has been our		
	Description	cultural and civilizational aspiration for long. However, despite various efforts,		
		discriminations invarious forms exist in our society. Gender discrimination is		
		one such manifestation. Gender Studies needs to be understood by the students		
		coming from all different streams of knowledge as gender justice is needed		
		everywhere.		
		The proposed course on gender studies is an effort to comprehend the power		
		relation, defining the male and female in socio-cultural context, flowing from		
		entrenched pa- triarchy and power of dominance. It will help you in		
		understanding nuances of patri- archy, gender and its inter-linkages with		
0		various institutions which define social rela-tions.
