**Minutes of the Board of Studies Meeting held on 01st August, 2018**

As per schedule meeting of Board of Studies, SAP was held on 01st August, 2018 at 11:00 am in the Dean's office at 6th Floor, Block- 2, Sharda University

Following agenda items were duly discussed as under:-

The BOS committee members noted that the changes envisaged timely "This is not the future, but it has to happen now". Furthermore, the system of verticals especially for Digital Design Fabrication (DDF) and Environment, Services, Sustainability (ESS) was strongly endorsed.

1. It was mentioned by the BOS members that Relative study program (RSP) and workshop are very important and should be incorporated in every semester.
2. It was stated that syllabus should be flexible enough so as the teacher is able to incorporate their style of teaching in it.
3. The BOS members also stated that the student should have clarity on "what is an architect" within his/her first 30 days of school, else we lose the student. Whatever are the core values, deliver them in first 30 days.
4. It was also mentioned that "Role play" should be implemented for different subjects to make the students understand the particular subject with deeper clarity.
5. It was observed and commented by BOS members that the social science part of HTC (History, Theory & Criticism) is missing, and should be included for students to understand "who we are as society".
6. Committee has recommended that the syllabus which is progressive i.e. implement "thinking by doing"
7. Workshops to be planned where students can make models on 1:1 scale.
8. The proposed changes to M. Arch were also reviewed and ratified for now & radical changes were suggested.
