Dear Sir

On behalf of the department of English (SOLC) I request you to please initiate the formalities for the beginning of the much awaited Ph.D programme in English. As earlier advised by you and in accordance with Kavita madam's discussion with Mr. Rajiv Gupta I am writing to you formally requesting you to advertise the admission to the programme at the earliest.

We have a good number of aspiring candidates within the department itself from among the staff and the current M.A. English batch. This is the right time to initiate the process in order to start the programme by June.

Thanks and Regards  
Hemant
