**Review of previous Minutes:** Meeting held on 4th may ,2018 in which Dr. Senthil P. Kumar and Dr. Chandan Kumar submitted the syllabus of B.Sc Forensic and it got approved.

**Agenda of today's meeting :** Amendment in the previously approved syllabus of B.sc Forensic Science because of following reasons:

1. It does not full fill the requirement of any of the recruitment rule of Forensic science Laboratory.
2. It does not full fill the requirement of other recruiting body criteria like UPSC, SSC, IB etc.
3. It does not full fill the requirement of DFSS recruitment criteria and also the FACT criteria.

**Action taken regarding the agenda:** Amendment has been done in the syllabus as per the recruitment rule and Forensic Science, Physics, Chemistry, Botany, Zoology has been kept for all three years with equal credit. So, that our students will be eligible for all type of forensic science exams and other that if they want to pursue basic science as one of the subject in their M.Sc they are also eligible & if they want to continue with M.Sc forensic science then they are eligible in all divisions of Forensic Science Laboratory.
