### **Pradeep Kumar Gupta**

Chancellor, Sharda University  
Founder Chairman, Sharda Group of Institutions  
Chairman, Sharda Hospital

## **Chancellor's Message**

*As the Chancellor of Sharda University, I have both the opportunity to provide forward-looking leadership and to ensure that Sharda becomes a model of excellence in education for the country in the years to come.*

*If I had to state what differentiates Sharda University, I would without a doubt say that it is how we bring together incredibly diverse groups of students & faculty from 74+ countries and global faculty in an intensive learning experience. Moreover, Sharda gleans great advantage from its valuable industry network, which equips our students with essential knowledge and skills to excel in today's highly competitive world.*

*Although we offer over 180 programmes in a variety of academic disciplines, our goal is your success. All our programmes focus on professional fields with strong current and future prospects to provide a degree that works for you. And, we surround you with a supportive and helpful academic community to encourage your personal growth and success.*

*I welcome you to be a part of this amazing experience!*

Mr. Pradeep Kumar Gupta has revamped the way education is imparted in educational institutions across India. He has also established Sharda Hospital in 2005 to provide hi-tech medical care at affordable cost to everyone.

Mr. Gupta is one of the founders of Education Promotion Society for India (EPSI) and also its past President. The then Hon'ble President of India nominated him on the Board of Governors of National Institute of Fashion Technology.

### **Distinguished awards conferred on Mr. P.K. Gupta**

- 'Udyog Ratna' award
- 'Uttar Pradesh Ratna' award
- 'Gaurav Shri' award for entrepreneurship from the Alumni Association of Agra University
- Best Educationist award from the Federation of Educational Publisher in India

**Yatendra Kumar Gupta**

Pro-Chancellor, Sharda University  
Vice-Chairman, Sharda Group of Institutions

**Pro-Chancellor's  
Message**

*When you come to Sharda, you are choosing a university that has been raising the bar of excellence in education since 2009. Behind this success was the experience of almost a decade in managing a large conglomerate of education institutions with infrastructure and education delivery processes benchmarked with the best.*

*The experiential education that our graduates have received while at Sharda has empowered them to solve real-world challenges. Whether through joining the workforce, continuing on with further studies, launching an entrepreneurial venture, or forging a different path, Sharda's graduates have brought their 'Think and Do' spirit out into the world.*

*With a reputation of being India's only global university with students & faculty from 74+ countries, our passion for the areas of expertise we operate in and our cordial relationship with industry, you can be sure that Sharda will help you find your future.*

*An investment in higher education is a life-changing decision that will affect your career growth. Whatever programme you choose, we will support you with the very best academic staff and state-of-the-art facilities.*

Mr. Y.K. Gupta is a renowned educationist, social leader and a visionary industrialist who has traversed a tough road to the position he holds in Sharda University.

Mr. Y.K. Gupta has put immense efforts to do pioneering work for his hometown, the city of Taj Mahal. He groomed Agra as a centre of excellence in technical education and provided the students better learning opportunities without any boundaries.

**Award conferred on Mr. Y.K. Gupta**

"INDIA SKILL AWARD-2014" during Australia-India Skills Conference-2013

## Vice-Chancellor's Message

**Dr. Ranjit Goswami**

*Sharda is a dynamic and youthful university that offers its students a truly global environment. Our international students from more than 74+ different countries enrich the cultural diversity of campus life and learning experience of our students.*

*At Sharda, you will find a highly focused research environment that encourages innovation and new ideas for the betterment of society. We have an excellent student to faculty ratio, and you will be supported to achieve your potential by high quality and committed people, excellent teaching resources and facilities.*

*Your choice of University is one of the most important decisions you will make. I am sure you will make the right choice for your future education and career. At Sharda, I am confident that we can help you achieve your ambitions.*

## Executive Director's Message

**Prashant Gupta**

Executive Director, Sharda University and Sharda Group of Institutions

*Since its establishment in 2009, Sharda University has grown to become one of India's leading research-led university, known for the excellence of its teaching, its research, and its focus on nurturing entrepreneurs of tomorrow.*

*Students from 74+ countries have experienced Sharda. We offer 180+ programmes across all disciplines and we are striving to become a leading centre of research and innovation.*

*As we look to the future one thing is certain – knowledge will be a key resource and will be highly sought across the world. Our challenge is to develop professionals with a passion to work for the nation and, we will always be committed towards this goal.*

# SHARDA UNIVERSITY

ONE OF NORTH INDIA'S LEADING UNIVERSITIES

The Sharda Group of Institutions (SGI) have been the provider of world class education since 1996. SGI the largest educational group based in Uttar Pradesh, has on its rolls 20,000+ students and more than 1200+ faculty members. Its 45,000+ alumni are today the leaders in their realms. The state-of-the-art campuses in Agra, Mathura and Greater Noida are located on 180 acres of land. Sharda Group of Institutions were the first in the self-financing sector in North India to receive Accreditation from the National Board of Accreditation (NBA) for internationally competitive Teaching-Learning Processes and Infrastructure facilities.

Responding to the strong need of bringing world class education to India at affordable price, Sharda Education Trust established a multi-disciplinary global university in the year 2009. Sharda University is located at Knowledge Park-III, Greater Noida in the National Capital Region (NCR), 25 km away from New Delhi.

The curriculum offered is continuously upgraded to keep pace with the overall development of industry and in line with the best practices followed world over. Highly stimulating instructions developed by experienced Indian and International faculty are delivered in ICT enabled environment, to train students and to develop their skills in tune with national campaigns like; 'Make in India' and 'Digital India'. The teaching-learning process coupled with convenient and flexible credit options make Sharda University a truly global University.

### Indian Nursing Council (INC)

Indian Nursing Council has approved Sharda's General Nursing & Midwifery (GNM), B.Sc. (Nursing), Post Basic Nursing programmes and M.Sc. (Nursing) after verifying the needs for award of the degree. File No. 4690 (1)/71-2-2014.

The School of Nursing Science & Research was established in 2008, initially with General Nursing and Midwifery Programme to train young students as dedicated professional nurses, capable of contributing effectively towards the growing health demands of the health sector. More than 400+ alumni from across the globe have successfully completed their course from the school and joined a number of reputed healthcare centers.

Indian Nursing Council has approved our General Nursing & Midwifery (GNM), B.Sc. Nursing, M.Sc. Nursing and Post Basic Nursing programmes after verifying the needs for award of the degree.

The unique function of the nurse is to assist the individual, sick or well, in the performance of those activities contributing to health or its recovery (or peaceful death) that he/she would perform unaided if he/she had the necessary strength, will or knowledge. Apart from being a highly responsible and dignified profession, Nursing demands special skills (keen observation, emergency identification, therapeutic use of self, effective communication, technical effectiveness, stress management of self and health team members), 24x7 service, dedication, patience, love and care for sick or injured patient.

The faculty of SNSR is committed to develop, promote and impart education to enhance student's knowledge, attitude and skills to provide effective and efficient nursing care. The faculty at SNSR constantly strive to improve educational standards to make SNSR, a centre of excellence, in nursing education.

### The School offers innovative programmes in various specialisations:

## SCHOOL OF ALLIED HEALTH SCIENCES

The history of Physiotherapy or Physical Therapy can be traced back to ancient Greece in the era of Hippocrates. Considered one of the oldest methods to cure various physical ailments, physiotherapy has evolved from simple massage to a complex assortment of therapies - now, it has multiple and specialised applications. Making a career in Physiotherapy is a wise decision as the scope it covers is widening up and expected to offer numerous job options.

The School of Allied Health Sciences (SAHS) was established in the year 2010, with the objective of producing skilled professionals in different areas of biomedical sciences for better healthcare delivery in the country. The course structure and curricula of different academic programmes and courses have been framed and designed so that the graduates produced could meet the present need of various health sectors. Additionally this would prepare them for the future requirements demanded from the respective specialization of medical science disciplines. The ultimate aim is to prepare a highly skilled human resource in the area of medical science disciplines.

By virtue of the availability of a in-campus well established and fully functional Super Speciality 900-Bedded hospital attached with a medical college, the School additionally prepares the students in different courses for the future requirements demanded from the respective specialization of medical science disciplines. Curriculum innovation is given priority by the University to make the courses meet the ever increasing demands of the research-oriented hospital services and health industry.

The School comprises of departments of Clinical Research, Physiotherapy, Medical Laboratory Technology, and Operation Theatre Technology.

### The School offers innovative programmes in various specialisations:

## SCHOOL OF LANGUAGES & CULTURE

Established in 2011, the School of Languages & Culture (SOLC) is the epicentre of cultural, creative and academic activity at Sharda University with students from all over the world enriching our learning environment.

The School offers languages, literature, linguistics, and cultural studies. SOLC's strength lies in its offerings of classes in languages for specialised purposes. These classes equip the students with the practical communication skills they will need for using the target language while preparing for globally oriented career paths.

We offer a wide range of language studies in English, French, German and Hindi. Graduates with language skills and a good understanding of other cultures are in demand both in India and overseas. Our programmes will provide the students with an excellent competitive advantage for a range of government and private-sector jobs, while the experience will expand their horizons and introduce them to people, places, cultures and ideas that can change their way of looking at the world around them. We have a multi-cultural environment with a vibrant network of International students, which constitute 40% of the strength and thus providing a cultural diversity for classroom discussions. SOLC faculty members cover a richly diverse range of research areas and have received prestigious teaching awards for their performance in the classroom. The School offers a variety of courses, which have been designed according to CEFR levels (Common European Framework for Reference).
