Chancellor's Message

As the Chancellor of Sharda University, I have both the opportunity to provide forward-looking leadership and to ensure that Sharda becomes a model of excellence in education for the country in the years to come.

If I had to state what differentiates Sharda University, I would without a doubt say that it is how we bring together incredibly diverse groups of students & faculty from 85+ countries and global faculty in an intensive learning experience. Moreover, Sharda gleans great advantage from its valuable industry network, which equips our students with essential knowledge and skills to excel in today's highly competitive world.

Although we offer over 216 programmes in a variety of academic disciplines, our goal is your success. All our programmes focus on professional fields with strong current and future prospects to provide a degree that works for you. And, we surround you with a supportive and helpful academic community to encourage your personal growth and success.

I welcome you to be a part of this amazing experience!

Mr. Pradeep Kumar Gupta has revamped the way education is imparted in educational institutions across India. He has also established Sharda Hospital in 2005 to provide hi-tech medical care at affordable cost to everyone. Going beyond boundaries, Sharda University established its first overseas campus at Andijan, Uzbekistan.

Mr. Gupta is one of the founders of Education Promotion Society for India (EPSI) and also its past President. The then Hon'ble President of India nominated him on the Board of Governors of National Institute of Fashion Technology.

Pro-Chancellor's Message

When you come to Sharda, you are choosing a university that has been raising the bar of excellence in education since 2009. Behind this success was the experience of almost a decade in managing a large conglomerate of education institutions with infrastructure and education delivery processes benchmarked with the best.

The experiential education that our graduates have received while at Sharda has empowered them to solve real-world challenges. Whether through joining the workforce, continuing on with further studies, launching an entrepreneurial venture, or forging a different path, Sharda's graduates have brought their 'Think and Do' spirit out into the world.

With a reputation of being India's only global university with students & faculty from 85+ countries, our passion for the areas of expertise we operate in and our cordial relationship with industry, you can be sure that Sharda will help you find your future.

An investment in higher education is a life-changing decision that will affect your career growth. Whatever programme you choose, we will support you with the very best academic staff and state-of-the-art facilities.

Mr. Y.K. Gupta is a renowned educationist, social leader and a visionary industrialist who has traversed a tough road to the position he holds in Sharda University.

Mr. Y.K. Gupta has put immense efforts to do pioneering work for his hometown, the city of Taj Mahal. He groomed Agra as a centre of excellence in technical education and provided the students better learning opportunities without any boundaries.

SHARDA LAUNCHPAD FEDERATION.

Nurturing Entrepreneurial Spirit.

"Innovation is life. Innovation brings change. Without innovation there is stagnation."

This is the vision of Shri Narendra Modi, Hon'ble Prime Minister of India. Sharda University is proud to support Prime Minister's vision for #startupindia through Sharda Launchpad Federation. The goal is to nurture and nourish entrepreneurial spirit in the entrepreneurial ecosystem.

SLPF serves as a bridge between entrepreneurial experts and the prospective students so that they can learn from their experiences, knowledge and expertise through initiatives like short-term programmes, speaker sessions, industry interface and mentoring. SLPF is supported by committed corporate partners, the angel investors, VC Firms and mentors from across the world. Over the last few years, Founders of Yourdost.com, Neostencil, BalujaShoes, Voccaberry, Essar Oil, MentorX, Healthstart, Sam Circle, Indian Angel Network, IIT-Kanpur have mentored the young entrepreneurs of Sharda University.

3 Programmes to Dream It, Pitch It and Stand It

What's unique about SLPF is that it facilitates the entrepreneurial ideas through three different programmes:

- 1. Next Startup:** An ideation stage centre where student ideas are explored and evolved to look into efficacy of incubation;
- 2. Syncubator:** An incubator which will incubate selected projects and ideas through a formal incubation process and
- 3. Xcelerator:** An accelerator which seeks to accelerate entrepreneurial start-ups who have reached a minimum threshold level. Therefore, SLPF can assist budding start-ups at different levels of the entrepreneurial trajectory.

PRESTIGIOUS TIE-UPS

Tie-Up with SIIC, IIT-Kanpur

Through this tie-up, SLPF will share the resources with IIT Kanpur and thus the incubates will have access to all resources there besides the resources in Sharda University thus enabling them to work on their projects with world class resources.

Sharda Skills also provides coaching and mentoring to students who want to prepare for various competitive exams like UPSC, CAT, GRE, GMAT, SSC, IBPS etc within the campus after University hours.

CLASSROOMS

The classrooms at Sharda University are an excellent place for learning, equipped with well-designed furniture, proper sitting arrangement, LCD projector and power supply. The Teaching-Learning pedagogy practised in the classrooms at Sharda University is IT-enabled where each classroom can support up to 200 students while the tutorial classes are designed for the strength of 30-40 students.

AUDITORIUMS & SEMINAR ROOMS

Sharda University has multiple Auditoriums (with capacity of 1200+ students) and Seminar Rooms equipped with the latest audio-visual facilities which act as a common ground for students and faculty. The auditoriums and seminar rooms are extensively setup for regular interfaces, guest lectures, presentations, conferences, cultural events and other academic activities. The auditoriums and seminar rooms provide an excellent environment to support teaching and learning for both staff and students with complete audio-visual, sound and lighting support and stadium-style seating.

Every school has a Conference/Boardroom for meetings, faculty presentations, and discussions.

LABORATORIES

Sharda University provides state-of-the-art laboratory facilities to its students, faculty and staff for carrying out teaching, research and practical activities. The University has dedicated labs for various disciplines of engineering, medical, dental, basic sciences and mass communication. These laboratories provide practical exposure to multiple subjects and give an opportunity to the students to experiment with what they have learnt in classrooms.

Highlights

- Hi-end software available to students to facilitate experiential learning
- Spacious rooms with a conducive learning environment
- Frequent Audit & Inspection of the labs are done to ensure the safety of the students

WORKSHOP FACILITIES

In today's times, learning by doing is gaining prominence. Sharda University offers modern workshop facilities, as an integral part of the course curriculum.

CAFETERIAS

Sharda University adopts special measures to ensure that the students are provided with healthy and hygienic food. There are about 10 cafeterias located in different blocks of the campus. The cafeterias and other eateries function on the 'Pay as you eat concept'.

Apart from cafeterias, the campus also holds mini refreshment joints and Vending Machines etc. Sharda University provides its students all the amenities and facilities to enjoy the fast-paced metro lifestyle right within the campus. Leading Restaurants and Food Chains would open their outlets in the Central Food Court soon. Lego House, More than Café, Amul Milk Parlour, Café Coffee Day and Nestle are already running their outlets on the campus.

GROCERY STORE

Sharda University's Grocery Store provides its students with all types of food staples and household products within the campus. The grocery store is a self-service shop where students can easily buy their daily need items. The store is designed and divided into sections and shelves for hassle-free access to goods. The grocery store is well stocked with fresh groceries, and other household products to ensure uninterrupted supply.

SPORTS FACILITIES

Sharda University believes that sports plays a pivotal role in moulding one's personality and maintaining good health. We've specially developed a sports-centric environment that matches international standards and gives a truly global experience to all our students. Moreover, the university celebrates an Annual Sports Day every year to provide a platform to our students to exhibit their athletic talents in front of their friends and family.

Sporting facilities are offered for games like:

- Cricket
- Badminton
- Gymnasium
- Table Tennis
- Volleyball
- Basketball
- Football

GYMNASIUM

Sharda University's Gymnasium facilities can be accessed by the students, faculty and staff members throughout the day. The gymnasium is well furnished with the latest machines and exercise equipment. Instructors and trainers are available throughout the day to train gym enthusiasts. The gymnasium is divided into two sections. One section is meant for general exercises while the other is meant for rigorous weight training. The gym provides an ideal atmosphere for the students and other members for overall development.

IT INFRASTRUCTURE

The campus has a seamless Wi-Fi network with more than 1.6 Gbps leased line with multiple ISPs which allow the students to connect to internet anytime, anywhere! All students can access a range of services across the entire campus including student hostels with more than 700 access points. Sharda has a campus LAN, with Learning Management System to facilitate students to discuss academic topics, submit their assignments online, see their class notes, study through specially designed learning resources and also refer to reference and digital library. The campus Cafes & outer spots with relaxed seating allow the students to complete their assignment after the classes and submit it to the teacher online within the stipulated deadline.

24X7 WI-FI ENABLED CAMPUS

- Wi-Fi facility is available between 4:30 PM to 8:30 AM in all the hostels and in the rest of the time, in all the classroom and academic blocks.

LIBRARIES

Libraries are the hub of the academic life of the Sharda University campus. Housed in spacious halls, the Libraries are well stocked with textbooks, technical journals, periodicals, and reference material for advanced research and development work. The aim is to support the university's educational, research, clinical, artistic, professional, and community-service goals. Moreover, an air-conditioned, central library is under the development phase which will remain open 24x7 for all students, faculty and staff.

Highlights

- Subscription to DELNET and other internet libraries
- Audio/Video records of renowned academicians are available
- All libraries are open for 14 hours a day from 8 a.m. to 10 p.m. every day and up to 19-20 hours a day during examination season
