Civil Engineering

TSRP- an FDP Initiative

Civil Engineering department recently started a Technical Skills Refinement Programme (TSRP), a Faculty Development Programme (FDP) initiative aimed at refining the skills of the faculty members. This event consists of a number of presentations by the faculty members of Civil Engineering Deptartment, every working saturday of this term. The first presentation was done by Dr. Prabash Kumar Yadav on the topic "Analytical models for contaminated site management", on Jan 21. The event was attended by a number of faculty members, the Dean-SET and the Vice-Chancellor, SU. All the faculty members and post-graduate students are welcome to this event. This event is coordinated by Dr. Prabhas Yadav and Ms. Chhavi Gupta.

Presentations by M. Tech. students at National Conference, Delhi

M. Tech. (environmental engineering) students (Priya Agarwal, Swati Gautam and Kritika Joshi), guided by Dr. Gaurav Saini, made presentations at a national conference on "Environmental Sustainability in Wastewater Remediation: Current Status and Future Prospects" (ESWR-2017) on Jan 19-20, 2017. This conference was organized by Sri Venkateswara College (Delhi University), in association with Royal Society of Chemistry (London).
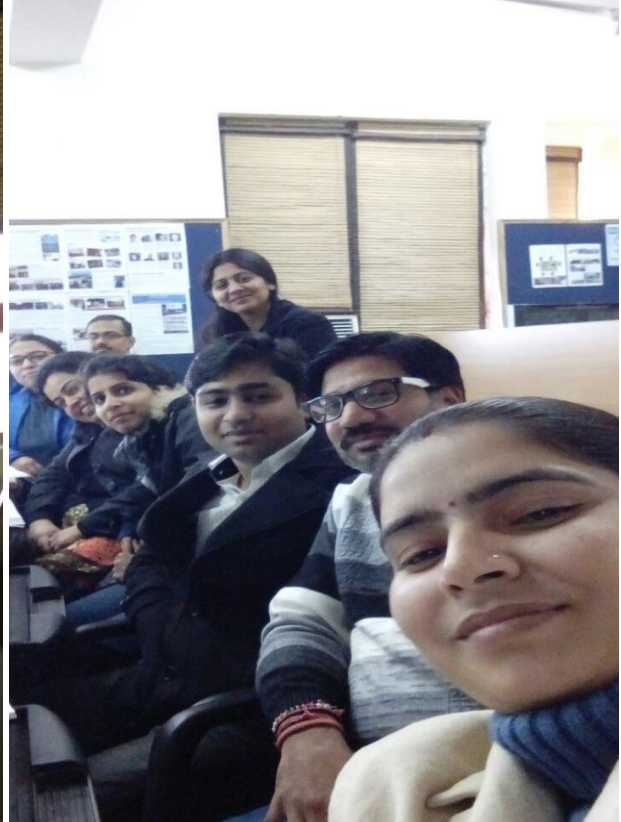

Computer Science and Engineering

Train The Trainers (TTT) program

- ❖ Computer Science & Engineering Department organized two different Train The Trainers (TTT) program from 26-12-2016 to 30-12-2016 in the association of NASSCOM.
  First TTT was Foundation Skills of Information Technology in which total 12 faculties participated from Sharda University and SGI Agra Campus. Second TTT was Analyst – Application Security in which total 20 faculties participated from Sharda University and SGI Agra Campus. Coordinator of TTT was Mr. Rupesh Kumar Jindal with the Co-Coordinators Dr. Kiran and Dr. Rashi Agarwal. FSIT Master Trainer was Dr. Ekata Mehul from Gujarat and Analyst –Application Security Trainer was from Hyderabad.

❖ IBM has conducted three different Train The Trainers (TTT) program from 27th December, 2016 to 9th January, 2017 on Data Mining and Predictive Modeling, Applied Statistical Analysis and Web Programming through PHP –Workshop. Mr. Balaji, Dr. Neha Sehgal and Mr. Ram Vivek were the resource persons. Mr.Ompal Singh was the coordinator of IBM's TTT. Eight faculty namely Dr. Ishan Ranjan, Dr. Ruchi Agarwal, Mr. Ompal Singh, Ms. Supriya Khaitan, Mr. Mukul Varshney, Ms. Abha Rajput, Ms. Jyotsana and Ms. Shivani Garg attended the workshop.
