Mr. Shamim Zakaria, Correspondent, Global News Channel, China

The delicate years of my school life dashed off learning thoughts like 'an aimless person is like a rudderless boat tossing in an ocean.' Alas! it was not until I joined Sharda University, I realised it is only a rudderless boat that has the liberty to float resolutely at will. Only a rudderless boat can dance to the blithe breeze, play with the maddening waves - all thanks to this glorious institution called Sharda University - it's value based education, practical oriented curriculum, most engaging classroom modules, faculty of astounding wisdom and the university's erudite ambience that never ceases to enchant. Graduating with a bachelors degree in journalism and mass communication and thereafter a brief stint in news reporting, I eventually went on to complete my post gradation in International Journalism from University of Sussex, United Kingdom on a scholarship. Currently, I am working for the international desk of a global news channel in China. Sharda University helped me gain enough of every gratifying experience to keep me smiling for another thousand lifetimes.
