**LL.M.**

One year LL.M. (Master of Law) is an internationally recognized postgraduate law degree. It is obtained by completing one-year full-time programme. Law students and professionals pursue the LL.M. to gain expertise in a specialized field of law, for example in the area of Corporate Law and Criminal Law. Many law firms prefer candidates with an LL.M. degree because it indicates that a lawyer has acquired advanced, specialized legal training, and is qualified to work in a multinational legal environment.

The Master of Law (LL.M.) is the degree of choice for career advancement and international credibility, particularly in today's competitive and globally focused legal environment. Early- and mid-career lawyers pursue the LL.M. voluntarily when looking to expand their proficiency in a specific area of law.

LL.M. degrees are a valuable investment for many lawyers, as they provide an exploration of the nuances of law.
