# SHARDA SCHOOL OF BUSINESS STUDIES

Sharda School of Business Studies (SSBS) offers innovative and enriching educational exposure to the corporate world of work, services, and businesses. With interactions with industry leaders from India and abroad, SSBS fosters a local and global understanding of the evolving needs of emerging economies. The educational programme at SSBS help students realize their potential, enabling them to become promising youth who contribute to building India as a commercial hub of international interest and activity in Asia in the 21st century.

Sharda School of Business Studies believes in preparing the students to approach business obstacles and to solve them, the way established corporations do. Learning happens both inside and outside the classroom, hence, technology plays a big part in the core culture, and so do global exposure, project management, critical reasoning and business communication skills.

The school pays extreme emphasis on experiential learning opportunities throughout the curriculum including a required internship, course assignments, and other industry-driven projects.
