3rd INTERNATIONAL FORENSIC FORUM 2023 (IFF2023)

Exploring the interdisciplinary landscape of Forensics, material science and medicine

October 19, 20 & 21

Dept. of Forensic Science

School of Allied Health Sciences, Sharda University

About the University:

Sharda University is a leading educational institution in Greater Noida, Delhi NCR. The University has established itself as a high-quality education provider with prime focus on holistic learning and imbining competitive abilities of students. The University is approved by UGC and prides itself in being the only multi-discipline campus in the NCR, spread over 63 acres and equipped with world class facilities.

About the School:

Sharda School of Allied Health Sciences was established in the year 2009 with the objective of producing skilled manpower in different areas of biomedical sciences for better healthcare delivery in the country. Since its inception, the school has gradually expanded in terms of new contemporary courses and the number of students. The major contribution of the allied health is by being the major support system to the medical and health personnel and to promote health in the society.

School offers undergraduate programs in Cardiovascular Technology, Forensic Science, Nutrition and Dietetics, Optometry, Physiotherapy, Radiology and postgraduate programs in Clinical Research, Forensic Science, Nutrition and Dietetics and Physiotherapy.

About Forensic Science Program:

The school offers B.Sc., M.Sc. and Ph.D. programs in Forensic Science. SSAHS started Bachelors in Forensic Science from the academic year 2018 and M.Sc. Forensic Science in the year 2021. The objective to start the programs is to impart the students a strong theoretical, practical and experimental foundation and thereby gain specialized skills that would empower them in scientific crime investigation methods.

About the Conference:

SSAHS proudly announces its 3rd International Forensic Forum 2023 (IFF2023) on **October 19, 20 & 21** in hybrid mode at School of Allied Health Sciences, Sharda University, Greater Noida.

We successfully conducted our 2nd conference on November 21, 22 & 23 in 2022 in hybrid mode at School of Allied Health Sciences, Sharda University, Greater Noida. Our 1st conference was conducted on June 28-30, 2021. Both previous conferences were a great success with large number of participants attending the conference.

IFF2023 has been designed for Forensic Scientists, laboratory professionals, Academicians, Lawyers, Research scholar and Forensic Science students. The aim of the conference is to provide an opportunity to bring together the scientific community, academia and corporates to share and discuss avenues of further research in this field.

The three days International Conference will have pre-conference workshop on first day of the conference on 19th October 2023. On 20th and 21st October 2023, there will be series of invited lectures, oral and poster presentations by the participants representing various Forensic Science organizations.
