

Dearest Alumnus,

Hope you all are happy, healthy and safe.

We feel immensely proud to call you the Alumni of Department of Mass Communication. The school is now renamed as **School of Media, Film & Entertainment (SMFE)**. This gives us immense pleasure to inform & invite you for the **FIRST ALUMNI MEET** of the Department of Mass Communication, School of Media, Film & Entertainment (SMFE) on the **17th of July 2020, 5:00 PM (IST) onwards**.

It's been quite a time since you completed your academic programme from Sharda University. Earlier we had planned a grand get-together for you and all the pass out students but due to the current situation and your safety we are now hosting a virtual Alumni Meet for you. We hope you will join it and meet your classmates, your seniors and your juniors. It will be an occasion for you to meet old friends, classmates, acquaintances, teachers and reminisce on the old times, revisiting and reliving your memorable experiences in Sharda University and sharing your stories with the students of current batches. You will also find out more about what is happening in the department.

This is an open and advance invitation to enable you to register yourself and mark your calendar and spread the information to all your friends for the meet. To get frequent updates on the events & activities, kindly register yourself on the Alumni Portal with the following link.
