

OFFICE OF THE REGISTRAR

SU/Reg./Circular/2024/005

May 01, 2024

Circular

A committee, composed of the members listed below, is hereby constituted to create a policy document aimed at enhancing students' real-life problem-solving skills. This policy document will address important areas including credit allocation, program structure, essential methodologies, evaluation standards, reporting protocols, guidance mechanisms, and desired outcomes. Throughout the drafting phase, the Committee may seek inputs from multiple stakeholders.
