## OFFICE OF THE REGISTRAR

SU/Reg./Notification/2021/96a

05<sup>th</sup> August, 2021

### Notification (Revised)

Subject: Centre of Excellence in Cryptology and Cyber Security, Sharda University.

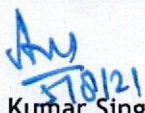

Sharda University has set up a Centre of Excellence in Cryptology and Cyber Security (CCCS), as a Centre of Excellence that seeks to promote interdisciplinary research in Mathematics, Computer Science, Computing and Communication, Data Analysis and Statistics towards teaching, research as well as training and development in Cryptology and Cyber Security and indigenous capacity building in all relevant fields of Information and communication technology.

The Centre aims to provide a good blend of theory and industrial practice; necessary theoretical background, insight into general and technical aspects of Cyber Security, analytical methods and management practices in the field of Cyber Security.

The Centre will work under the overall supervision and guidance of Dr. Shri Kant, Professor, School of Engineering & Technology, the Head of the Centre who will report to the Vice Chancellor. The core team of the Centre will initially comprise the following faculty members:

- i. Dr. Venus Dillu, Assistant Professor, Dept. of Physics, School of Basic Sciences & Research
- ii. Dr. Prem Shankar Jha, Assistant Professor, Dept. of Mathematics, School of Basic Sciences & Research
- iii. Dr. Amrita, Assistant Professor, Dept. of CSE, School of Engineering & Technology
- iv. Dr. Nitish Kumar Ojha, Assistant Professor, Dept of CSE, School of Engineering & Technology
- v. Dr. Shailendra Tripathi, Assistant Professor, Dept. of EECE, School of Engineering & Technology

The faculty members of the team will work dedicatedly for research achievement. The Centre will submit a periodic report to the Vice Chancellor, preferably once in three months.
