SECTION B: Event report and reflection

1. Event objectives-

The objective of this expert talk is to provide participants with valuable insights and practical strategies for effective NAAC. The participants may also explore Effective Strategies and methodologies that University can adopt to meet NAAC standards effectively. The session may also highlight the best practices that promote a culture of quality assurance and continuous improvement in higher education.

2. Event description:

The IQAC organized an Expert Talk on “Strategies for Effective NAAC Implementation” for its members. Prof. (Dr.) A. N. Rai, Former VC, NEHU and Mizoram University and Ex-Director NAAC explained various terminologies and metrics relevant to NAAC. He insisted that as an IQAC member we need to familiarize with NAAC Guidelines: The first step in effective NAAC implementation is a comprehensive understanding of the NAAC accreditation process and criteria. NAAC evaluates institutions based on various criteria such as Curriculum, Teaching-Learning, Research, Infrastructure, Student Support, and Governance. He also explained the key areas which include, Curricular Aspects, Teaching-Learning and Evaluation, Research, Innovations, etc.

He also said that we need to promote Interdisciplinary Collaboration by encouraging faculty and students to engage in interdisciplinary research and academic exchange programs. He stressed we should Identify and document best practices in academics, administration, student support, research, and community engagement. Besides, he also said that Alumni Cell of the University must be active and strengthened for collaboration of various activities of the University.

The overall discussion was very motivating and informative.

3. Event Agenda

IQAC organized an Expert Talk on “Strategies for Effective NAAC Implementation”. This event shall explain the various methods and strategies for effective NAAC implementation. This requires a well-organized, systematic approach that involves all stakeholders in the process. A focus on continuous improvement, data-driven decision-making, and strategic planning is essential for achieving high standards and securing accreditation. This will also foster a culture of excellence and quality in education.

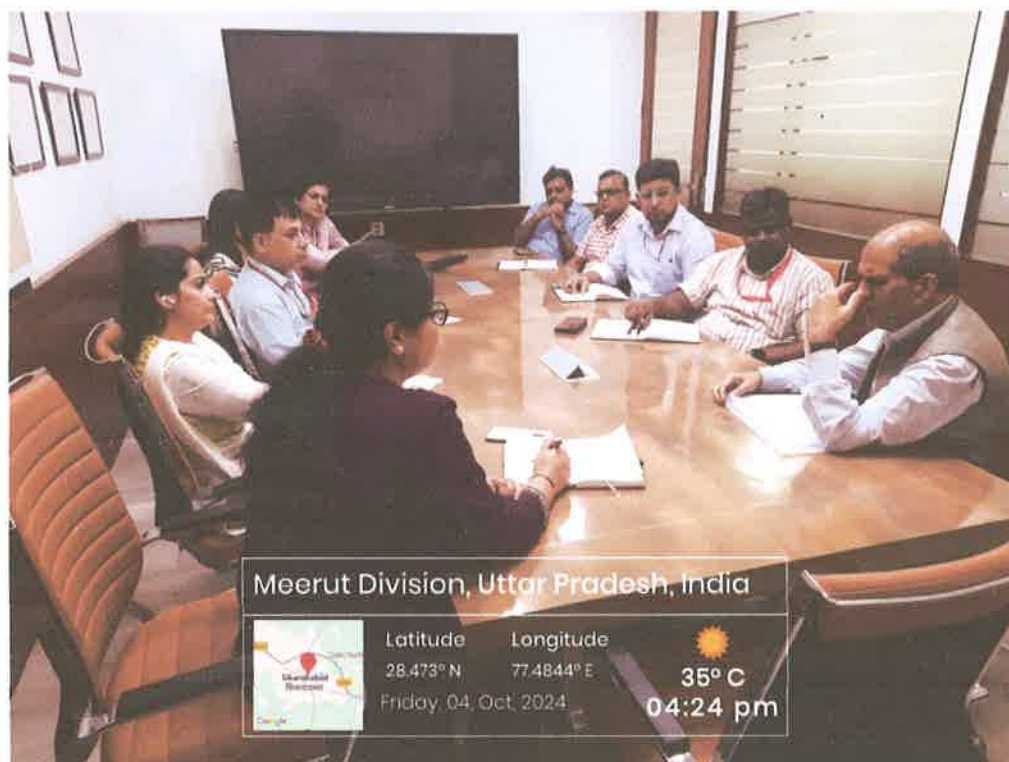

The Speaker will brief about Institutional Values and methods to monitor and evaluate Quality Assurance for Continuous Improvement in a University Set up.
