Few of the suggestions received in the feedback are

- Workshop to be extended at school level
- Good, but would have been more conceptual if done with the example or data of Sharda programmes
- Please share the template for the data
- It can be practical with computer aided programme.  
Handouts for presentation for reference may be shared
- Such type of FDP must take place frequently
- looking forward for this kind of interactive sessions
- FDP on OBE should be organized at all dept level for preparation and mapping of Pos and all subject Co's
- Most initiative by IQAC Cell. Really thankful to the entire team
