Report of the Faculty Development Program

on

Participatory Learning

(18th -22nd June, 2018)

A series of Faculty Development Programs on “Participatory Learning” for young faculty members of the various Schools of the University were organized by IQAC in the summer vacations of session 2017-18. The first one was conducted from 18th to 22nd June, 2018. Main resource persons for the Faculty Development Program were Ms. Sujatha Singh and Mr. Prasenjit Sinha from YANTRA-Centre for Skill Development, Sharda University.

1) Objective of Training Program:

The main objective of the workshops was to equip the teachers with the techniques for improving the teaching-learning process. The workshop comprised of two modules. The first three days were dedicated to module 1 which concentrated on enhancing the facilitation/delivery skills. The next two days covered the aspects of mentoring and coaching which a teacher should take up to become a role model for the student. The workshop was highly interactive with inbuilt hands-on sessions. The pre-work and the study materials were shared with the participants in advance. The Major highlights of the five days were as follows:
