TEACHING &
LEARNING (OBTL)**

July 2023

ABOUT THE PROGRAMME

Sharda University, a Leader in the field of Higher Education has taken the initiative to increase and improve faculty standards across all levels, especially in the area of 'Outcome-Based Teaching Learning Methods and Research'.

During the present Covid-19 pandemic situation also Sharda University has been at the forefront in delivering quality education through virtual mode. The same has been recognised recently by QS. Infact, Sharda University is one of the few leading Universities in India to receive the prestigious QS I-Gauge E-Lead Certificate for excellence in online education.

In the pursuit of academic excellence, Sharda University is proposing to conduct a Faculty Development Programme (FDP) on Outcome-Based Education (OBE) from 3rd - 7th July 2023 for the benefit of university faculty and other stakeholders.

As the Outcome-based Education embraces each part of the education system, it involves a restructuring of curriculum, assessment and reporting practices in education to help achieve higher order-thinking and cognitive skills as laid down in the National Education Policy - 2020.

AIMS AND OBJECTIVES

The objective of this faculty development programme is to nurture the philosophy of Outcome-Based Education (OBE) and build the capacity and competencies of the faculty members in the teaching-learning system of the university. The development and implementation of good academic processes in an institutionalized manner by involving all stakeholders for continuous improvement are paramount in assuring the quality of the programmes.

The faculty development programme will have sufficient discussions, deliberations in a case study approach, and provides a hands-on experience on re-engineering or fine-tuning the academic processes that can improve the quality of the outcome. Highly renowned professionals from academia and industry are being invited to enlighten the participants on various areas.

KEY TOPICS AND PROPOSED OUTCOMES OF THE FDP

- Overview of Outcome-Based Education
- Vision, Mission and PEOs
- Analysis and Attainment of POs and PSOs
- Blooms Taxonomy and Design of Learning Outcomes
- Methods and Rubrics of Assessment & Evaluation
- Design of Outcome-Based Curriculum
- Pedagogy and Content Delivery
- Stakeholders Feedback and Analysis
- Introduction of OBE for Students
- Project-Based Learning and Higher Order Thinking
- Outcome-Based Question Papers and Quality Measurement
- Case Studies on Attainment Evaluation of COs and POs

OUTCOME-BASED TEACHING & LEARNING (OBTL)

3rd July to 7th July, 2023

ABOUT SHARDA UNIVERSITY

Sharda University Greater Noida. It is a NAAC A+ accredited private State University established in 2009, imparting instructions in almost all disciplines of pure & applied sciences, engineering & technology, management, social sciences & humanities, architecture, law, agriculture, education, media, film & entertainment, nursing, pharmacy, allied health science, dentistry, and medical sciences. The university also ranked 87th rank under University Category in NIRF 2023. The University has a sprawling eco-friendly green campus of 62.7 acres with state-of-the-art built-up area of 3.30 lakh sq. meter, catering to nearly 15000 students, including approx. 12% international students from 65+ countries. It has NIRF ranking in the band of 101-150, with several specialized centres of research providing cutting-edge technologies and high-end analytical equipment for faculty and students. So far, the University has awarded 182 PhDs degrees and has 45+ patents to its credit.

Recognising the fact that the country today needs not only the job seekers but also job providers, the University has commissioned 'Sharda LaunchPad' that provides students and industry a platform with requisite infrastructure to convert their innovative ideas into products of societal development. Likewise, skill development has been emphasised and the idea of 'Make in India' has been given a new thrust. For experiential enrichment of the students, the University has introduced a credit based 'Community Connect Programme'. The university has recently set up Sharda University EPIPWA Skill Development Centre, it has been established as a platform to collaborate with industry, society and other agencies to develop agile and able workforce, which will lead to a strong community and nation.

Its 1200+ bedded Sharda Hospital offers complete healthcare comprising basic medical and surgical treatment, super-specialties, high-end diagnostic and therapeutic services through sophisticated equipment. During the recent pandemic Covid-19, the Hospital was at the forefront of serving the masses which has been generously acknowledged by the Government as well as the people at large. The Hospital, under the 'Ayushman Bharat Scheme', provides free access to health coverage for low-income disadvantaged sections of the society. The hospital has also emerged as a centre for international patients who bring invaluable goodwill from across the continents.

Overall it was very good FDP. Great experience.

na

Every session was very useful and fruitful

All good, thanku for intellectual fdp and lunch.

Good

These kinds of FDP are refreshing sessions...should be done twice a year

Good.

Well conducted

There should be more FDP like this

It was a good and informative FDP

Overall good experience

Very Informative sessions.

It was very informative and easy to comprehend

No suggestions, program is very good and knowledgeable for new faculty.

Group activities can be involved

It is good.

To get exact feedback candidates credentials to be not collected.

Wonderful Experience, More FDPs on SPSS Technique Data Collection etc.

Should be conducted twice a year

Looking forward to more FDP's like such. Great experience

Sessions were very Informative

These type of session increases the effectiveness of our delivery so please keep doing FDPs to boost our knowledge and confidence

Exhaustive discussion and brainstorming sessions wish to be part of subsequent FDP

More such FDPs should be arranged in future so as to have more deeper understanding

It will be more effective when planned this kind of FDP frequently. Very informative sessions.

It could have been more relevant to the domain eg Pharmacy to make it more relative..

Really awesome FDP

Kindly organize some more FDP like this.

It was well organised. However was more engineering focussed and less on Management and other streams

FDP Was informative

It was excellent FDP. Thanks to organiser and organising team for successful congratulations of the FDP.

FDP was very beneficial

It could have been scheduled at a better time not overlapping with the ETE

Nothing

It was a very good opportunity to attend such a wonderful fdp, please do organize such kind of events in future also. Thanks

All speakers was very knowledgeable

Very informative.

It was really fruitful.

was very informative and effective

Its knowledgeable and worth to attain the FDP, I am expecting if we could make some handsom training on actual preparedness of topics covered which is crux of overall OBE

Very good FDP thanks

No one

Great Experience

Such type of events must be conducted in future also

Well organised FDP

Thank you for all the excellent sessions. They were extremely helpful and informative.

All good

These kinds of sessions are the need of the hour. Therefore, these kinds of sessions should be organised.

Well organized.... Should be conducted more often

Question and answer timing should have been included in the schedule. Few sessions were skipped from questions.

To provide the ppt's after the session on same day.

Very beneficial FDP, if possible please plan a session by experts from legal education field as well. Thank you.

Must be organized before commencement of every semester.

These kind of the sessions are needs of the hour. Therefore these kind of session should be organized.

Please provide PPT or recording of the seesion so that we could go through it,

Very Informative and interactive session's

It was sufficient.

Very informative FDP on OBTL. All speakers provided a valuable insights on different topics. Looking forward to attend more such FDPs in future. Thanks to organizers.

Was very informative and effective

Very good FDP. Speakers were very well chosen.

Informative sessions

Great experience

Few topics could be in workshop mode, With handson experience.

Overall its quite Informative.

Such FDP have to be in online mode also as many of the faculties are on summer vacation or engaged in some other academic responsibility.

It was very nice and knowlegable programme

Like to attend such kind of FDPs in future too

It was a well organized and very wonderful FDP.

Expect to be more practical to reach or attain OBTL at ground level.

If a session could be included with OBE in medical/paramedical programs.

It's great

It was informative. Keep organise these things

Awesome, informative, and knowledgeable session were there in FDP.

Wonderful experience

Very informative and enlightening FDP.

Good learning experience.

Well Organised

Good fdp to be organized as frequent as possible.

Offline Workshops can be Organized to actually perform tasks parallely (practically) related to all verticals of CO-PO/OBE Under Guided Environment.
