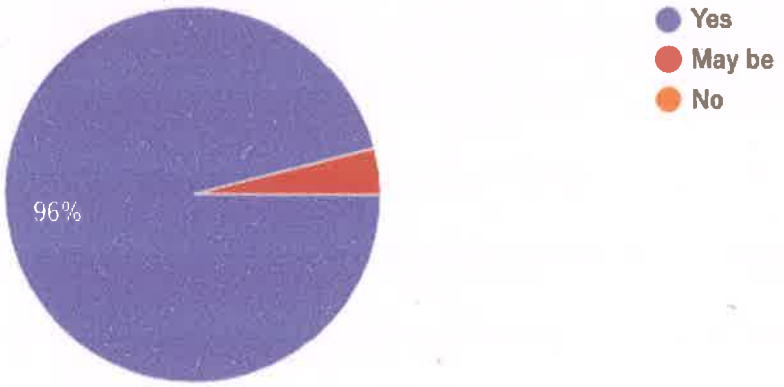
Will You be interested in attending other events organised by Sharda University?



Do you have any other comments or feedback?

I feel that an active participation of faculties is also needed in such wonderful events. Yet i also feel they should be conducted as soon as the faculty joins Sharda University. Because till the time the induction FDP happens we are well versed with the technical aspects of the work
Overlapping's of schedule of different program must be avoided
Overlapping's of program must be avoided if possible
The program was very informative and useful for a new faculty member. The FDP gave a detailed overview of the University and the facilities.
It should be like you conducted, however complete participation should be ensured.
