

# The Bright Side

CELEBRATING SHARDANS SUCCESS STORIES

## NATIONWIDE ACCLAIM

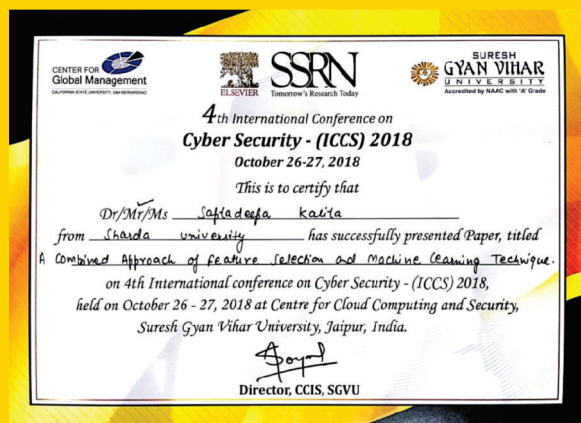

### STUDENT EMBARKS ON A 35 DAY CYCLE EXPEDITION

**Mr. Rohan Philem**, student of SOLC, Sharda University has embarked on a 35 day bicycle expedition to 12 states to create awareness about environment conservation and Sangai Deer (Endangered species). His journey was flagged off by Mr. PK Gupta, Chancellor, Sharda University on 16th October at a function on campus. Also present at the function were important dignitaries including Mr. Prashant Gupta, Executive Director, Mr. Amal Kumar, Registrar, Mr. RC Singh, Director of Examination, Deans of various schools and other officers. A large number of students gave Mr. Rohan Philem a warm send off. There was considerable excitement among North East students who also presented a cultural programme on this occasion.

On this occasion, Mr. PK Gupta, Chancellor, Sharda University said that we are proud that many students like Rohan are studying at our university. He congratulated Rohan for this campaign. In his 35 days expedition spread across a month, Mr. Rohan Philem will be travelling 3500 Kms across 12 States like Delhi, Haryana, UP, MP, Chattisgarh, Jharkhand, Odisha, West Bengal, Sikkim, Assam and Nagaland. He will be finally reaching Manipur during Sangai festival which will be celebrated from 21st November to 30th November. He will be welcomed by Mr. N. Biren Singh, Chief Minister of Manipur.

## RESEARCH

» Research papers written by **Ms. Chandrika Singh**, (M.Tech. Environmental Engineering) under the guidance of Dr. Gaurav Saini has been accepted for two different conferences (i.e. National conference on Advanced Structures, Materials and Methodology in Civil Engineering and International Conference on Sustainable Solutions in Industrial Pollution, Water and Wastewater Treatment).

» Four M.Tech students have presented research papers in International Conference on "Cyber Security - ICCS 2018" held from Oct 26-27, 2018 in Jaipur (Published in SSRN digital Library indexed at Elsevier, and DBLP) under supervision of Dr. Rajiv and Mr. Diwakar Gautam:
