SHARDA UNIVERSITY
Plot No. 32-34, Knowledge Park - III
Greater Noida-201306

Objectives of Training Session

SHARDA UNIVERSITY
Beyond Boundaries

For Students:
- How to easily access recorded lectures along with supporting material (NPTEL Videos & Standford, MIT and Thenewboston Open videos)
- How to ask questions to the teaching faulty
- How to create a library of relevant topics
- How to share documents and maintain digital backpack.
- How to collaborate with students from other institutes .

The output of this training -
- The students will be able to use the Lecture capture system.
- Engagement of students and teaching faculty will Increase by 20%

For Faculty:
- How to use Impartus platform for enhancing interactive teaching & collaborative learning for both classroom and remote students.
- How to provide lecture videos accessible 24*7 using Impartus Lecture Capture
- How to use technology to extend learning experiences outside the classroom.
- How to customize recorded content
- How to access NPTEL Courses
- How Standford, MIT and Thenewboston open videos are linked with classroom lectures.
- How to collaborate with various colleges like - BITS, IIMB, IIITB, IITD, VIT, PES University, Manipal, Jaipuria, DEI, Bennett University, PIET for sharing case studies

The outcome would be-
- Teaching faculty would be able to increase contact time with students.
- Classroom content can be converted into E-learning modules with little effort.
- Teaching faculty will understand the use of ICT tools.

Specific comments/suggestion:

SHARDA UNIVERSITY
Beyond Boundaries

Faculty:

- Session was good
- Overall it was a good Session
- Hands on would have made it even better
- Good presentation

Students:

- Very excellent and interesting
- Good
- This platform is good.
- It will be good and greater for doubts
- My opinion, this method will be very useful especially at home.
- This platform discussed is useful
- They should work on giving noise less mike
