organizes webinar on
“To Achieve Better Learning
Experience through Lecture Capture
Solution from upGrade Campus”

1st July 2021

2:00 pm to 3:00pm

ABOUT THE TOPIC

Sharda university has over the years become one of the leading centre of the education, research and innovation in Delhi NCR region established through an act of state legislature of Uttar Pradesh (14 Of 2009), Sharda University offers over 216 UGC recognized Programmes/ Plans in various disciplines. It is a part of the renowned Sharda group with operations in area like education, health care and IT.

Being the only global university in India that has seen students from 85+ Countries experienced world class faculties and having 250+ global academic partnerships, Sharda University offers a truly international learning environment. That's why it says "The World is here, where are you?"

The School of Nursing Science and Research was established in 2008 to train young students as dedicated professional nurses, capable of contributing effectively towards the growing health demands of the health sector. The college has a state of art, supportive learning environment with good clinical and library facilities, which attracts National and International students. Regular co-curricular and extracurricular activities are planned meticulously and organized by group of highly motivated faculty. Students have access to medical facilities within the campus as university has a world class 900+ bedded NABH accredited multispecialty hospital with all modern medical facilities. Sharda is currently established a 550 bedded hospital in Nigeria equipped with the all modern facilities and sophisticated equipment to provide comprehensive health care to all sectors of the society, and established university in Uzbekistan.

ABOUT THE TOPIC

Impartus provides innovative video-enabled learning solutions that drive better outcomes for educational institutions. Impartus is a comprehensive, video learning platform that brings about a paradigm shift in the teaching - learning experience. With Impartus, educators are able to capture, edit, and distribute contextually relevant content. Students gain deeper understanding as they use the platform to watch recorded or live-streamed class lectures and review supplementary course material at any time, from anywhere. And administrators can serve more students with existing resources while improving outcomes for all.

Objectives

The objectives of the webinar are as below:-

- To ensure that students continue to have live and interactive access to teachers in the ongoing pandemic crisis.
- To develop video lecture capture for online digital library.
- To provides innovative video-enabled learning solutions that drive better outcomes for educational institutions.
