SECTION B: Event report and reflection

1.Event objectives

To bring faculty members teaching various disciplines into a single platform to learn and share their teaching methods & implement innovative teaching methods in their present pedagogy.

2. Event description:

The Internal Quality Assurance Cell of the Sharda University had organized a Workshop on Teaching-Learning Techniques on Saturday, 17th February, 2018 at Room No. 202, Seminar Hall, School of Business Studies. The prime objective of the workshop was to create the awareness for the latest Information and communication technology (ICT) used in teaching and learning methods & their implementation in present pedagogy.

The Resource persons for the workshop were **Prof. Pradeep Kulshreshtha, Dean SOL** and **Prof. K. Srinivas, Professor of ICT at the National Institute of Educational Planning & Administration.**

The session covered various aspects of teaching and learning line e-Learning, blended learning, MOOCs and University-wide Academic Cloud e-governance (ERP) Planning, Setup, Customization, and Execution. The lectures were completely based on best practices which can be used in the classroom.
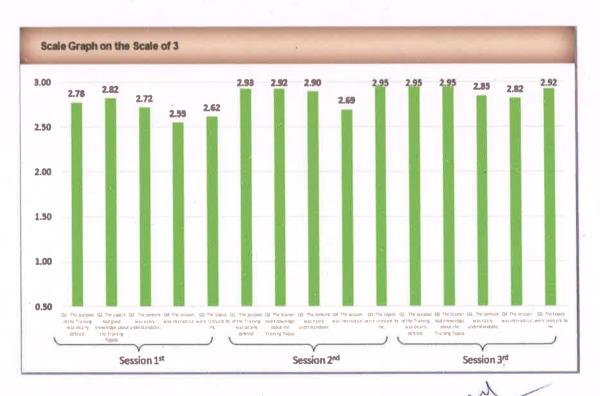

Program Description:

Time	Topic	Resource Person
9:30 - 10.45	Case study-based Teaching	Prof. Pradeep Kulshreshtha, Dean, SOL
10:45 -11:00	Tea Break	
11:00 - 12:00	Technology Enabled Online Teaching, Learning, and Assessment	Prof. K. Srinivas Professor of ICT, NEUPA
12:00 - 1:00	Flipped Classroom & steps for implementation	Prof. K. Srinivas, Professor of ICT, NEUPA

Feedback Analysis

S. No.	Session 1: Case study-based Teaching	Agree	Neutral	Disagree
1	The purpose of the Training was clearly defined.	83%	13%	4%
2	The expert had good knowledge about the Training Topics.	87%	8%	5%
3	The content was easily understandable.	74%	23%	3%
4	The session was interactive.	61%	34%	5%
5	The topics were relevant for me.	72%	18%	10%
	Session 2: Technology Enabled Online Teaching, Learning and Assessment			
1	The purpose of the Training was clearly defined.	92%	8%	0%
2	The trainer had good knowledge about the Training Topics.	92%	8%	0%
3	The content was easily understandable.	90%	10%	0$
4	The session was interactive.	69%	31%	0%
5	The topics were relevant for me.	69%	24%	7%
	Session 3: Flipped Classroom & step for implementation			
1	The purpose of the Training was clearly defined.	80%	18%	2%
2	The trainer had knowledge about the Training Topics.	95%	5%	0%
3	The content was easily understandable.	85%	15%	0%
4	The session was interactive.	82%	18%	0%
5	The topics were relevant for me.	92%	8%	0%

Specific Comments

Please share some good teaching learning practice which has brought positive result in your classroom.

- We have learnt how to upload videos in LMS
- I have used PPT during delivering of lecture
- Common examples from daily life can make teaching very interactive.
- More involvement of students are required
- Interactive and innovative
- Interactive and discussion based teaching helps a lot
- Students interactive learning in terms of variable test
- Gave reading material in advance & it helped students to discuss in class
- Presentation tube and google drive is very good method to get into practice to save for the future
- Introduced good tools which can be included in my teaching schedule to make my classroom more interactive and positive for students
- I used the share some useful videos related to my subject and then I had discussion on it with my students. This create a very interactive environment which makes the effective learning of the students
- If we implement the ideas given in session 2 & 3 then we can get good results in teaching learning

Please suggest other areas of capacity building with an aim to enhance the quality of the teaching learning process.

- Kindly provide one full day workshop from Dr. Srinivas to get more teachings on the topic
- More interactive sessions are required for better understanding
- The session by Prof Srinivas was highly beneficial, would like attend more such program
- Would like to attend more workshops like these, Very informative
- Education should be learning centric rather than examination centric
- Content of workshop should be provided at least on week before the commencement
- Good step, we learnt how to prepare material to the students
- The request for additional time for ICT learning teaching
- More training session to be conducted, IQAC is doing well. We appreciate the efforts
- Only above average students should be selected for B. Tech admission so that we have good placement and they can uplift the name of Sharda University
- Need good quality students, teacher/faculty need time to prepare quality lecture which must for them
- Thanks to the speaker, very nice and knowledgeful presentation there should be 10 minute break after one hour, it is too painful 2.5 hrs lecture at a stretch.
- It was very nice and interesting fact that make us to aware about the maximum use of software. Looking forward for next session
- More session by Prof Srinivas, he is excellent
- Last session which was on using presentation tube should be a litter moral. As for the last presentation time is less, so more doubts remained in our mind

3. Participants (compulsory for events):

S. No	Total Participants	Number of Male	Number of Female
1	53	31	22

4. Budget distribution from University/any other agency:

Sponsored by: Sharda University

S.NO	Particulars	Amount	Remarks
1.	Snacks & Lunch	6975.00	
2.	Flower Bouquet	300.00	
3.	Posters	900.00	
4.	Conveyance	100.00	
5	Honorarium & conveyance	7078.00	**TOTAL**
			Rs. 15353/-
